This Information Memorandum relates to a debt issuance Program established by the Issuer, under which it may issue Notes from time to time. It has been prepared by, and is issued with the authority of, the Issuer.

The Issuer accepts responsibility for the information contained in this Information Memorandum (other than the Program Participant Information).

Terms used in this Information Memorandum but not otherwise defined have the meanings given to them in section 8 (*Glossary*) and/or will otherwise be interpreted as provided in the Conditions.

Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes in any country including Australia and countries in Europe and Asia but (subject to the below) not in the United States. The Notes have not been, and will not be, registered under the U.S. Securities Act and, accordingly, the Notes may not be offered, sold, delivered or transferred, at any time, within the United States or to, or for the account or benefit of, U.S. persons, except in a transaction exempt from, or not subject to, the registration requirements of the U.S. Securities Act.

This Information Memorandum does not, and is not intended to, constitute an offer or invitation by or on behalf of the Issuer or any Program Participant to any person in any jurisdiction to subscribe for, purchase or otherwise deal in any Notes.

The distribution and use of this Information Memorandum, including any Issue Materials, and the offer or sale of Notes may be restricted by law in certain jurisdictions and intending purchasers and other investors should inform themselves about them and observe any such restrictions.

In particular:

- this Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporations Act. Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with ASIC; and
- no action has been taken by any of the Issuer or any Program Participant Party which would permit a public offering of any Notes or distribution of this Information Memorandum or any Issue Materials in any jurisdiction where action for that purpose is required (including circumstances that would require disclosure under Part 6D.2 or 7.9 of the Corporations Act).

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum and any other Issue Materials, see section 3 (*Selling restrictions*).

No independent verification

The only role of each of the Program Participants in the preparation of this Information Memorandum has been to confirm to the Issuer that the Program Participant Information relating to itself is accurate as at the Preparation Date.

Apart from the foregoing, no Program Participant Party has independently verified any information contained in this Information Memorandum and each such person disclaims any responsibility for such information. No representation, warranty or undertaking, express or implied, is made, and no responsibility or liability is accepted, by any of them, in relation to the accuracy or completeness of this Information Memorandum, any Issue Materials or any further information supplied by the Issuer in connection with the Program or any Notes.

Each Program Participant expressly does not undertake to review the financial condition or affairs of the Issuer or any of its affiliates at any time or to advise any Noteholder or any other person of any information coming to their attention with respect to the Issuer and make no representations as to the ability of the Issuer to comply with its obligations under the Notes. No Program Participant makes any representation as to the performance of the Issuer, the maintenance of capital or any particular rate of return, nor does any Program Participant guarantee the payment of capital or any particular rate of capital or income return, in each case, on any Notes.

Investors to make independent investment decision and obtain professional advice

This Information Memorandum contains only summary information concerning the Notes. Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Program or the issue of any Notes (1) is intended to provide the basis of any credit or other evaluation and should not be considered or relied on as a recommendation or a statement of opinion (or a report of either of those things) by the Issuer or any Program Participant Party that any recipient of this Information Memorandum or any other information supplied in connection with the Program or the issue of any Notes should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes, or (2) describes the risks of an investment in any Notes.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any Notes or any rights in respect of any Notes should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer and the risks of an investment in any Notes;
- determine for themselves the relevance of the information contained in this Information Memorandum (including all information incorporated by reference and forming part of this Information Memorandum) and any other information supplied in connection with the Program or the issue of any Notes, and must base their investment decision solely upon their independent assessment and such investigations as they consider necessary; and
- consult their own financial, legal, tax and professional advisers about risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

No accounting, regulatory, investment, legal, tax or other professional advice is given in respect of an investment in any Notes or rights in respect of them.

Neither the Issuer nor any Program Participant has represented that any Notes may at any time lawfully be offered or sold, or that this Information Memorandum or any Issue Materials may be distributed, in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale or distribution.

In addition to the above, the following selling and distribution restrictions apply.

1 General

No action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required.

Persons into whose hands this Information Memorandum comes are required by the Issuer, the Arranger and each Dealer to comply with all applicable laws and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, resale, reoffer or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, resales, reoffers or deliveries, in all cases at their own expense, and none of the Issuer, the Arranger or any Dealer has responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the offer or sale of Notes and on the distribution of this Information Memorandum in Australia, the United States, Hong Kong, Japan, Singapore and the European Economic Area as follow.

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Program or any Notes has been, or will be, lodged with ASIC.

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or any other offering material or advertisement relating to any Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency, in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act;
- (iii) such action complies with any applicable laws and directives in Australia; and
- (iv) such action does not require any document to be lodged with ASIC.

Terms used in the following four paragraphs have the meanings given to them by Regulation S.

The Notes may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S or in transactions exempt from the registration requirements of the U.S. Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that it, its affiliates and any person acting on its or their behalf will not offer or sell the Notes constituting part of its allotment within the United States, or to, or for the account or benefit of, U.S. persons, or engage in “directed selling efforts” (as such term is defined in Regulation S):

- (a) as part of its distribution at any time; and
- (b) otherwise until 40 days after completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the lead manager,

except in an offshore transaction in accordance with Rule 903 of Regulation S.

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Notes from it during the distribution compliance period a confirmation or other notice substantially to the following effect:

“The Notes covered hereby have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of such Dealer’s distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Tranche of Notes of which such Notes are a part, except in either case in accordance with Rule 903 of Regulation S under the Securities Act. Terms used above have the meanings given to them by Regulation S.”

Until 40 days after the completion of the distribution of all Notes of the Tranche of which those Notes are a part, an offer or sale of Notes within the United States by any Dealer acting in relation to that Tranche or other distributor (whether or not participating in the offering) may violate the registration requirements of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an applicable exemption from registration under the U.S. Securities Act.

Public offer selling restriction under the Prospectus Directive

In relation to each Relevant EEA State, each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that with effect from and including the Relevant Implementation Date it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to the public in that Relevant EEA State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant EEA State:

- (a) at any time to any legal entity which is a "qualified investor" as defined in the Prospectus Directive;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining

the prior consent of the relevant Dealer or Dealer nominated by the Issuer for any such offer; or

- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer, the Arranger or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant EEA State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Relevant EEA State by any measure implementing the Prospectus Directive in that Relevant EEA State.

Prohibition of sales to EEA Retail Investors

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that, from 1 January 2018, it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression "retail investor" means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or
 - (ii) a customer within the meaning of Directive 2002/92/EC (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in the Prospectus Directive; and
- (b) the expression "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes.

8 Variation

These selling restrictions may be amended, varied, replaced or otherwise updated from time to time in accordance with the Dealer Agreement. Any change may be set out in a Pricing Supplement or in another supplement to this Information Memorandum.

9 Arrangements with Dealers

Under the Dealer Agreement and subject to the terms and conditions contained in the Information Memorandum, the Notes will be offered by the Issuer through a Dealer. The Issuer has the sole right to accept any offer to purchase Notes and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part. The Issuer is entitled under the Dealer Agreement to appoint one or more financial institutions as a Dealer for a particular Tranche of Notes or the Program generally. At the time of any appointment, each such financial institution will be required to represent and agree to the selling restrictions applicable at that time.

Each Dealer has agreed and each further Dealer appointed under the Program will be required to agree to comply with any applicable law or directive in any jurisdiction in which it subscribes for, offers, sells or transfers Notes and that it will not, directly or indirectly, subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes, in any jurisdiction, except in accordance with these selling restrictions, any additional restrictions which are set out in the Pricing Supplement or in another supplement to this Information Memorandum and any applicable law or directive of that jurisdiction.

4. Summary of certain taxation matters

Australian taxation

The following is a summary of certain Australian withholding tax matters, at the date of this Information Memorandum, in relation to the Notes to be issued by the Issuer under the Program and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

Australian interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax.

Other Australian tax matters

Under Australian laws as presently in effect:

- *death duties* – no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- *stamp duty and other taxes* – no *ad valorem* stamp, issue, registration or similar taxes are payable in any Australian State or Territory on the issue, transfer or redemption of any Notes;
- *other withholding taxes on payments in respect of Notes* – so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Income Tax Assessment Act 1936 of Australia and section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia should not apply to the Issuer;
- *supply withholding tax* – payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of Schedule 1 to the Taxation Administration Act 1953 of Australia; and
- *GST* – neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply that is outside the scope of GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

Certain United States federal income tax considerations

The following is a discussion of certain U.S. federal income tax considerations that may be relevant to a beneficial owner of a Note that is a non-resident alien individual or a foreign corporation, or any other person, that is not subject to U.S. federal income taxation on a

net income basis in respect of the Notes (a “**Non-U.S. Holder**”). This discussion deals only with Notes held as capital assets by Non-U.S. Holders who acquire Notes in this offering. This summary does not deal with Notes with a maturity date of longer than 30 years from the date on which they are issued. It does not cover all aspects of U.S. federal income taxation that may be relevant to the purchase, ownership or disposition of the Notes by investors in light of their specific circumstances. In particular, this discussion does not address certain former citizens or residents of the United States, non-resident alien individuals present in the United States for 183 days or more during the taxable year, “controlled foreign corporations” or “passive foreign investment companies,” entities taxed as partnerships or partners therein, or persons otherwise subject to special treatment under the Internal Revenue Code.

This summary is based upon the provisions of the Internal Revenue Code, the United States Treasury regulations promulgated thereunder and administrative and judicial interpretations thereof, all as of the date hereof. Such authorities may be repealed, revoked, modified or subject to differing interpretations, possibly on a retroactive basis, so as to result in U.S. federal income tax consequences different from those discussed below. This discussion does not address any other U.S. federal tax considerations (such as gift or estate tax) or any state, local or non-U.S. tax considerations. Prospective holders of Notes should consult their own tax advisers about the tax consequences of the purchase, ownership and disposition of the Notes in light of their particular circumstances, including the tax consequences under state, local, foreign and other tax laws and the possible effects of any changes in applicable tax laws.

Interest on the Notes

Except in the circumstances described in the sections entitled “Information Reporting and Backup Withholding” and “FATCA” below, payments of interest (and original issue discount, if any) on Notes owned by a Non-U.S. Holder generally will not be subject to U.S. federal income tax or withholding tax, provided that, in the case of Notes having a term to maturity of greater than 183 days, (i) such Non-U.S. Holder does not own, actually or constructively, 10% or more of the total combined voting power of all classes of the Issuer’s stock entitled to vote, (ii) such Non-U.S. Holder is not, for U.S. federal income tax purposes, a controlled foreign corporation that is related to the Issuer through stock ownership, (iii) such Non-U.S. Holder certifies under penalty of perjury that it is a Non-U.S. Holder (usually by providing an IRS Form W-8BEN or W-8BEN-E) or provides other appropriate documentation to the applicable withholding agent, and (iv) the Notes do not provide for interest that is contingent on any receipts, sales, income, profits, or other cash flow of the Issuer or person related to the Issuer, on any dividends, partnership distributions, or similar payments made by the Issuer or person related to the Issuer, or on any change in value of any property of the Issuer or person related to the Issuer.

Sale or other Taxable Disposition of the Notes

Except in the circumstances described in the sections entitled “Information Reporting and Backup Withholding” and “FATCA” below, a Non-U.S. Holder generally will not be subject to U.S. federal income tax or withholding tax on any gain recognised on the sale, exchange, redemption, retirement or other disposition of a Note.

Information Reporting and Backup Withholding

Payments of interest on Notes owned by a Non-U.S. Holder (including additional amounts, if any), and gross proceeds from the sale or redemption of such Notes within the United States or through certain U.S.-related financial intermediaries, generally are subject to information reporting and backup withholding unless the Non-U.S. Holder certifies under penalty of perjury that it is a Non-U.S. Holder (usually by providing an IRS Form W-8BEN or W-8BEN-E) or otherwise establishes an exemption. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against such Non-U.S. Holder’s U.S. federal income tax liability provided the required information is timely furnished to the IRS.

Payments of interest on a Note to a Non-U.S. Holder and the amount of any U.S. federal tax withheld from such payments generally must be reported annually to the IRS and to such Non-U.S. Holder, regardless of whether withholding is required.

FATCA

Under the U.S. tax rules known as FATCA, a Non-U.S. Holder of the Notes will generally be subject to 30% U.S. withholding tax on payments made on (and, after December 31, 2018, gross proceeds from the sale or other taxable disposition of) Notes having a term to maturity greater than 183 days if the Non-U.S. Holder (i) is, or holds its Notes through, a foreign financial institution that has not entered into an agreement with the U.S. government to report, on an annual basis, certain information regarding accounts with or interests in the institution held by certain United States persons and by certain non-U.S. entities that are wholly or partially owned by United States persons, or, if it is subject to an intergovernmental agreement between the United States and a foreign country, that has been designated as a “nonparticipating foreign financial institution”, or (ii) fails to provide certain documentation (usually an IRS Form W-8BEN or W-8BEN-E) containing information about its identity, its FATCA status, and if required, its direct and indirect U.S. owners. The future adoption of, or implementation of, an intergovernmental agreement between the United States and an applicable foreign country, or future U.S. Treasury regulations, may modify these requirements. If any taxes were to be deducted or withheld from any payments in respect of the Notes as a result of a beneficial owner or intermediary’s failure to comply with the foregoing rules, no additional amounts will be paid on the Notes as a result of the deduction or withholding of such taxes. Prospective holders of Notes should consult their own tax advisers on how these rules may apply to their investment in the Notes.

Each Noteholder or holder of an interest in a Note may be required to provide the Registrar with information with respect to its FATCA status.

Common Reporting Standard

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (“**CRS**”) will require certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Noteholders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed a CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement.

1.5 Headings

Headings (including those in brackets at the beginning of paragraphs) are for convenience only and do not affect the interpretation of these Conditions.

1.6 Terms defined in Pricing Supplement

Terms which are defined in the Pricing Supplement as having a defined meaning have the same meaning when used in these Conditions but if the Pricing Supplement gives no meaning or specifies that the definition is “Not Applicable”, then that definition is not applicable to the Notes.

2 The Notes

2.1 Terms of issue

- (a) Notes are issued under the Program.

- (b) Notes are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than, to the extent relevant, in respect of the Issue Price, Issue Date and the first payment of interest).
- (c) The Issuer will issue Notes on the terms set out in these Conditions as supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes. If there is any inconsistency between these Conditions and the Pricing Supplement, the Pricing Supplement prevails.
- (d) Copies of the Pricing Supplement for a Tranche of Notes are available for inspection or upon request by a Noteholder or prospective Noteholder during normal business hours at the Specified Office of the Issuer or the Registrar or are otherwise available on reasonable request from the Issuer or the Registrar.
- (e) A Note is either:
 - (i) a Fixed Rate Note; or
 - (ii) a Floating Rate Note,
 or a combination of the above (or any other type of debt obligation), as specified in the relevant Pricing Supplement.

2.2 Issue and transfer restrictions

Notes may only be offered (directly or indirectly) for issue or transfer, or applications invited for the issue or transfer of Notes, and may only be issued or transferred if:

- (a) where the offer or invitation is made in, or into, Australia:
 - (i) the aggregate consideration payable to the Issuer or the transferor by the relevant subscriber or person acquiring the Notes is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the Issuer or its associates) or the offer or invitation (including any resulting issue) or transfer does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act; and
 - (ii) the offer or invitation (including any resulting issue) or transfer does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
- (b) at all times, the offer or invitation (including any resulting issue) or transfer complies with all applicable laws and directives in the jurisdiction in which the offer, invitation, issue or transfer takes place.

2.3 Denomination

Notes are issued in the Denomination specified in the Pricing Supplement.

2.4 Currency

Subject to compliance with all applicable legal and regulatory requirements, Notes may be denominated in Australian dollars or such other currency or currencies specified in the Pricing Supplement.

2.5 Clearing Systems

If the Notes are held in a Clearing System, the rights of a person holding an interest in those Notes are subject to the rules and regulations of the Clearing System including any removal, uplift or withdrawal (however described) of the Notes from that Clearing System or other action (including a transfer of the Notes) required by the rules and regulations of the Clearing System. The Issuer is not responsible for anything the Clearing System does or omits to do.

3 Form

3.1 Constitution

- (a) Notes are debt obligations of the Issuer constituted by, and owing under, the Deed Poll and the details of which are recorded in, and evidenced by entry in, the Register.
- (b) Noteholders are entitled to the benefit of, are bound by, and are deemed to have notice of all the provisions of the Deed Poll.

3.2 Form

Notes are issued in registered uncertificated form by entry in the Register.

3.3 No certificates

No certificates in respect of any Notes will be issued to Noteholders unless the Issuer determines that certificates should be available or are required by any applicable law or directive. If certificates are issued, they represent evidence of title only and the Notes will remain in registered form.

4 Status, ranking and negative pledge**4.1 Status and ranking**

The Notes will constitute direct, unconditional, unsubordinated and (subject to Condition 4.2 (“Negative pledge”)) unsecured obligations of the Issuer which rank *pari passu* among themselves and will rank at least *pari passu* with all other present and future unsecured and unsubordinated obligations of the Issuer, save for such as may be preferred by mandatory provisions of applicable law.

4.2 Negative pledge

If, at any time, the Issuer mortgages, pledges or otherwise subjects to any lien the whole or any part of any property or assets now owned or hereafter acquired by it, except as provided in this Condition 4.2, the Issuer will accord the same security to any outstanding Notes, and any other obligations of the Issuer which may then be outstanding and entitled to the benefit of a covenant similar to this Condition 4.2, equally and rateably with the indebtedness or obligations secured by such mortgage, pledge or lien, for as long as any such indebtedness or obligation is so secured.

This Condition 4.2 does not apply to:

- (a) the creation, extension, renewal or refunding of purchase-money mortgages or liens, or other liens to which any property or asset is subject at the time it is acquired by the Issuer; or
- (b) the making of any deposit or pledge:
 - (i) to secure public or statutory obligations or with any governmental agency, at any time required by law, in order to:
 - (A) qualify the Issuer to conduct its business (or any part thereof); or
 - (B) entitle it to maintain self-insurance or to obtain the benefits of any law relating to workmen's compensation, unemployment insurance, old age pensions or other social security; or
 - (ii) with any court, board, commission or governmental agency as security incident to the proper conduct of any proceeding before it; or
- (c) the mortgage, pledge, or subjecting to a lien of any property or assets by an affiliate of the Issuer whether or not such property or assets were acquired by such affiliate from the Issuer.

4.3 Waiver of Negative pledge

The Issuer may omit in any particular instance to comply with any covenant or condition set forth in Condition 4.2 (“Negative pledge”) if, before or after the time for such compliance, the Noteholders of more than 50% in principal amount of the outstanding Notes of each Series of Notes affected by the omission shall, in each case by notice of such Noteholders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer with respect to any such covenant or condition shall remain in full force and effect.

5 Title and transfer of Notes**5.1 Title**

Title to a Note passes when details of the transfer are entered in the Register.

5.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an irrevocable undertaking by the Issuer to the Noteholder to:
 - (i) pay principal, any interest and any other amounts in accordance with these Conditions; and
 - (ii) otherwise to comply with the Conditions; and
- (b) an entitlement to the other benefits given to Noteholders under these Conditions in respect of the Note.

5.3 Ownership and non-recognition of interests

- (a) Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of such Note subject to correction for fraud or proven error.
- (b) No notice of any trust or other interest in, or claim to, any Note will be entered in a Register. Neither the Issuer nor the relevant Registrar need take notice of any trust or other interest in, or claim to, any Note, except as ordered by a court of competent jurisdiction or required by any applicable law or directive. This Condition 5.3(b) applies whether or not a Note is overdue.

5.4 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

5.5 Transfer

- (a) Noteholders may only transfer Notes in accordance with these Conditions.
- (b) Notes may be transferred in whole but not in part.

5.6 Transfer procedures

- (a) Interests in Notes held in a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System. If a Note is lodged in the Austraclear System, neither the Issuer nor the relevant Registrar will recognise any such interest other than the interest of Austraclear as the Noteholder while that Note is lodged in the Austraclear System.
- (b) Application for the transfer of Notes not held in a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Issuer or the Registrar (or such other person as may be specified in a Pricing Supplement) and:
 - (i) each transfer form must be:
 - (A) duly completed and stamped (if applicable);
 - (B) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
 - (C) signed by, or on behalf of, both the transferor and the transferee; and
 - (ii) transfers will be registered without charge provided all applicable Taxes have been paid.

5.7 Austraclear as Noteholder

If Austraclear is recorded in the Register as the Noteholder, each person in whose Security Record a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under the Agency Agreement; and
- (b) the Noteholder does not rely on any fact, matter or circumstance contrary to paragraph (a).

5.8 Restrictions on transfers

Transfers of Notes which are not lodged in a Clearing System cannot be made between a Record Date and the relevant Interest Payment Date if a redemption of such Note is to occur during that period in accordance with these Conditions.

5.9 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Note and the transferee becomes so entitled in accordance with Condition 5.2 ("Effect of entries in Register").

5.10 CHESS

Notes which are listed on the Australian Securities Exchange operated by ASX Limited (ABN 98 008 624 691) will not be transferred through, or registered on, the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be "Approved Financial Products" for the purposes of that system.

5.11 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

5.12 Unincorporated associations

A transfer of a Note to an unincorporated association is not permitted.

5.13 Transfer of unidentified Notes

If a Noteholder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the relevant Registrar may choose which Notes registered in the name of Noteholder have been transferred. However, the aggregate principal amounts of the Notes registered as transferred must equal the aggregate principal amount of the Notes expressed to be transferred in the transfer form.

6 Fixed Rate Notes

This Condition 6 applies to the Notes only if the Pricing Supplement states that it applies.

6.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

6.2 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the "Fixed Coupon Amount" specified in the Pricing Supplement.

6.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, by the outstanding principal amount of the Fixed Rate Note and by the applicable Day Count Fraction.

7 Floating Rate Notes

This Condition 7 applies to the Notes only if the Pricing Supplement states that it applies.

7.1 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the “Specified Period” in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

7.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

7.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 7.2 (“Interest Rate determination”), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

7.4 Screen Rate Determination

Where “Screen Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition, “**Screen Rate**” means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the “**Screen Rate**” means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the “**Screen Rate**” means:
 - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
 - (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

7.5 BBSW Rate Determination

Where “BBSW Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate.

In this Condition, “**BBSW Rate**” means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the “AVG MID” on the Reuters Screen BBSW Page (or any designation which replaces that designation on that page, or any replacement page) at approximately 10.15 am (or such other time at which such rate customarily appears on that page) on the first day of that Interest Period. However, if such rate does not appear on the Reuters Screen BBSW Page (or any replacement page) by 10.30 am on that day (or such other time that is 15 minutes after the then prevailing time), or if it does appear but the Calculation Agent determines that there is an obvious error in that rate, “**BBSW Rate**” means the rate determined by the Calculation Agent having regard to comparable

indices then available. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001%).

7.6 Interpolation

If the Pricing Supplement states that “Linear Interpolation” applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

8 General provisions applicable to interest

8.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a “Maximum Interest Rate” or “Minimum Interest Rate” for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. If no rate is specified, the Minimum Interest Rate shall be zero.

8.2 Calculation of Interest Rate and interest payable

- (a) The Calculation Agent must, in relation to each Interest Period for each Floating Rate Note:
 - (i) calculate the Interest Rate in accordance with these Conditions and the Pricing Supplement; and
 - (ii) as soon as practicable after determining the Interest Rate, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

8.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

8.4 Notification of Interest Rate, interest payable and other items

- (a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of:
 - (i) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
 - (ii) any amendment to any amount, item or date referred to in paragraph (i) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.
- (c) The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Noteholders, each other Agent and each stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded after doing so.

8.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest or proven error, final and binding on the Issuer, the Registrar, each Noteholder and each other Agent.

8.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or in the Pricing Supplement):

- (a) all percentages resulting from those calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005% being rounded up to 0.00001%);
- (b) all figures resulting from those calculations must be rounded to five decimal places (with 0.000005 being rounded up to 0.00001); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars, one cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

9 Redemption and purchase**9.1 Redemption on maturity**

Each Note must be redeemed by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed Maturity Date.

9.2 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the Notes of a Series in whole before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if, as a result of any change in or amendment to the laws (or any regulations or rulings promulgated thereunder) of the United States or of any political subdivision thereof or taxing authority therein or thereof affecting taxation, or any change in official position regarding application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction in the United States), or any other action taken by any taxing authority or a court of competent jurisdiction in the United States, whether or not such action was taken or made with respect to the Issuer, or any change, amendment, application or interpretation shall be officially proposed, which becomes effective on or after the Issue Date with respect to any Notes, the Issuer is or will be required under Condition 11.2 ("Withholding tax") to pay an Additional Amount in respect of a Note and the Issuer, in its business judgment, determines that such obligation cannot be avoided by the Issuer taking reasonable measures available to it.

However, the Issuer may only do so if:

- (a) prior to the publication of any notice of redemption for taxation reasons, the Issuer shall deliver to the Registrar a certificate signed by two duly authorised officers of the Issuer stating that the Issuer is entitled to effect such redemption for taxation reasons and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and an opinion of independent legal advisers or tax consultants of recognised standing to the effect that the Issuer has or will, in all material probability, become obliged to pay such Additional Amounts as a result of such change or amendment; and
- (b) the Issuer has given not less than 30 days nor more than 60 days' notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded; and
- (c) in the case of Fixed Rate Notes, no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay Additional Amounts;
- (d) in the case of Floating Rate Notes:

- (i) the proposed Redemption Date is an Interest Payment Date; and
- (ii) the notice of redemption is given at least 30 days and not more than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay Additional Amounts.

9.3 Early redemption at the option of Noteholders (Noteholder put)

If the relevant Pricing Supplement states that a Noteholder may require the Issuer to redeem all or some of the Notes of a Series held by that Noteholder before their Maturity Date under this Condition 9.3, the Issuer must redeem the Notes specified by the Noteholder at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if the following conditions are satisfied:

- (a) the amount of Notes to be redeemed is a multiple of their Denomination;
- (b) the Noteholder has given not less than 30 days nor more than 45 days (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the Noteholder to the Note;
- (c) the notice referred to in paragraph (b) specifies an account in the country of the currency in which the Note is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
- (d) the Redemption Date is an “Early Redemption Date (Put)” specified in the Pricing Supplement; and
- (e) any other relevant condition specified in the Pricing Supplement is satisfied.

A Noteholder may not require the Issuer to redeem any Note under this Condition 9.3 if the Issuer has given notice that it will redeem that Note under Condition 9.2 (“Early redemption for taxation reasons”) or Condition 9.4 (“Early redemption at the option of the Issuer (Issuer call)”).

9.4 Early redemption at the option of the Issuer (Issuer call)

If the Pricing Supplement states that the Issuer may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given not less than 60 days (or such lesser period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed;
- (c) the proposed Redemption Date is an “Early Redemption Date (Call)” specified in the Pricing Supplement; and
- (d) any other relevant condition specified in the Pricing Supplement is satisfied.

9.5 Partial redemptions

If only some of the Notes are to be redeemed under Condition 9.4 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner under the circumstances of the proposed redemption and having regard to prevailing market practice; and
- (b) in compliance with any applicable law, directive or requirement of any applicable Clearing System and stock or securities exchange or other relevant authority on which the Notes are listed.

9.6 Effect of notice of redemption

Any notice of redemption given by the Issuer under this Condition 9 (“Redemption and purchase”) is irrevocable.

9.7 Late payment

If an amount is not paid under Condition 9 (“Redemption and purchase”) when due, then interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder.

9.8 Purchase

The Issuer and any of its affiliates may at any time purchase Notes in the open market or otherwise and at any price. Such Notes may be held, reissued, resold, or at the option of such purchaser, cancelled by notice to the Registrar. Purchases may be made by tender offers or in any other manner at the discretion of the purchasers, in each case, subject to compliance with any applicable law, directive or requirement of any stock or securities exchange or other relevant authority on which the Notes are listed.

10 Payments**10.1 Payment of principal and interest**

Payments of principal and interest in respect of a Note will be made to each person registered at the close of business on the Record Date as the holder of that Note (or the first person to be registered in the case of joint holders).

10.2 Payments to accounts

Payments in respect of the Note will be made in Australia, unless prohibited by law, and:

- (a) if the Note is held in the Austraclear System, by crediting on the payment date, the amount due to:
 - (i) the account of Austraclear (as the Noteholder) in Australia previously notified to the Issuer and the Registrar; or
 - (ii) if requested by Austraclear, the accounts in Australia of the persons in whose Security Record a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the Note is not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in the relevant jurisdiction or financial centre for the currency in which the payment is made previously notified by the Noteholder to the Issuer and the Registrar.

If a payment in respect of a Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

10.3 Payments by cheque

If the Noteholder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in the relevant jurisdiction or financial centre for the currency in which the payment is made by cheque drawn on a bank in that jurisdiction or financial centre sent by prepaid post on, or on the Business Day immediately before, the payment date, at the risk of the registered Noteholder, to the Noteholder (or to the first named joint holder of the Note) at its address appearing in the Register at the close of business on the Record Date. Cheques sent to the nominated address of a Noteholder are taken to have been received by the Noteholder on the payment date and, no further amount is payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

10.4 Payments subject to law

All payments are subject in all cases to:

- (a) any applicable fiscal or other laws and directives in any jurisdiction but without prejudice to the provisions of Condition 11 (“Taxation”); and
- (b) any withholding or deduction required pursuant to FATCA.

10.5 Payments on Business Days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the Business Day Convention specified in the Pricing Supplement. The Noteholder is not

entitled to any additional payment in respect of such delay.

10.6 Currency of account

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

11 Taxation

11.1 No set-off, counterclaim or deductions

All payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for or on account of any present or future Taxes unless such withholding or deduction is required by law.

11.2 Withholding tax

Subject to Condition 11.3 (“Withholding tax exemptions”), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the Notes such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by the United States or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer will pay such additional amounts so that, after making the deduction and further deductions applicable to additional amounts payable under the Conditions, each Noteholder that is not a U.S. Person (as defined below) is entitled to receive (at the time a payment is due) the amount it would have received if no such deductions or withholdings had been required to be made.

As used in this Condition 11.3, a “**U.S. Person**” means any individual who is a citizen or resident of the United States for United States federal income tax purposes, a corporation, partnership or other entity created or organized in or under the laws of the United States, any state of the United States or the District of Columbia, or any estate or trust the income of which is subject to United States federal income taxation regardless of its source.

11.3 Withholding tax exemptions

No Additional Amounts shall be payable under Condition 11.2(b) (“Withholding tax”) on any Note with respect to:

- (a) any Taxes that would not have been imposed but for the existence of any present or former connection between the Noteholder (or between a fiduciary, settlor, beneficiary of, or a person holding a power over, the Noteholder, if the Noteholder is an estate or trust, or a member or shareholder of the Noteholder, if the Noteholder is a partnership or corporation) and the United States, including, without limitation, that holder (or that fiduciary, settlor, beneficiary, person holding a power, member or shareholder) being or having been a citizen, resident or treated as a resident of the United States or being or having been engaged in trade or business or present in the United States or having or having had a permanent establishment in the United States;
- (b) any estate, inheritance, gift, sales, transfer, capital gains, excise, personal property, wealth or similar Taxes;
- (c) any Taxes imposed on foreign personal holding company income or by reason of the holder’s or beneficial owner’s past or present status as a personal holding company, controlled foreign corporation or passive foreign investment company with respect to the United States or as a corporation that accumulates earnings to avoid United States federal income tax;
- (d) any Taxes which are payable otherwise than by withholding or deducting from a payment on such Note;

- (e) any Taxes required to be withheld or deducted by any paying agent from any payment on such Note if that payment can be made without such withholding or deduction by any other paying agent;
- (f) any Taxes which would not have been imposed, withheld or deducted but for the failure of a beneficial owner or any holder of such Note or any other person to comply with any requirement or request to satisfy certification, identification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connections with Australia or the United States of the beneficial owner or any holder of the Note that such beneficial owner or holder is legally able to deliver (including, but not limited to, the requirement to provide IRS Forms W-8BEN, W-8BEN-E, Forms W-8ECI, or any subsequent versions thereof or successor thereto, and including, without limitation, any documentation requirement under an applicable income tax treaty);
- (g) any Taxes imposed on a Noteholder who actually or constructively owns more than 10% or more of the total combined voting power of all classes of stock of the Issuer entitled to vote within the meaning of section 871(h)(3) of the Internal Revenue Code, or that is a controlled foreign corporation that is related to the Issuer;
- (h) any Taxes imposed as a result of the Noteholder's failure to comply with applicable certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connection with the United States of the Noteholder or beneficial owner of a Note, if such compliance is required by statute or regulation of the United States, as a precondition to relief or exemption from those Taxes; or
- (i) any combination of the above,

and nor will the Issuer pay any Additional Amounts to any holder of Notes who is a fiduciary, partnership, a limited liability company or a holder other than the sole beneficial owner of that payment to the extent that a beneficiary or settlor with respect to that fiduciary, a member of that partnership, an interest holder in such limited liability company or a beneficial owner of the payment would not have been entitled to the payment of those Additional Amounts had that beneficiary, settlor, member or beneficial owner been the holder of those Notes.

Notwithstanding any other provision of these Conditions, the Issuer shall be entitled to make such withholding or deduction and shall have no obligation to gross up any payment under these Conditions or to pay any additional amount referred to in Condition 11.2 ("Withholding tax") or other amount for such withholding or deduction if the Issuer, or any other person through whom payments on the Notes are made, is required to withhold or deduct amounts under or in connection with, or in order to ensure compliance with FATCA.

Except as specifically provided under Condition 11.2 ("Withholding tax"), the Issuer will not be required to make any payment with respect to any Tax imposed by any government or any respective political subdivision or any taxing authority therein or thereof, as a consequence of the initial issuance of Notes.

12 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within ten years (in the case of principal) or five years (in the case of interest and other amounts) from the date on which payment first became due.

13.2 Consequences of an Event of Default

- (a) If an Event of Default (other than an Event of Default specified in Condition 13.1(d) or Condition 13.1(e)) occurs with respect to the Notes of the relevant Series and is continuing, any Noteholder of the Notes of that Series may, by written notice to the Issuer, effective upon the date specified in paragraph (b) below, declare such Notes held by that Noteholder to be immediately due and payable.
- (b) Any notice given by a Noteholder under paragraph (a) above declaring the Notes due shall become effective, and all Notes then outstanding shall become immediately due and payable at their Redemption Amount, together with accrued interest (if any) to the date of repayment, when the Issuer has received such notices from Noteholders holding not less than 25% in aggregate principal amount of the relevant Notes then outstanding, unless, prior to the time the Issuer receives notice in respect of such aggregate amount, the situation giving rise to the notice has been cured.
- (c) At any time after a notice given by a Noteholder under paragraph (a) becomes effective and before the situation giving rise to the notice has been cured or a judgement or decree for payment of monies owing has been obtained, the notice may be rescinded and annulled by written notice to the Issuer from Noteholders holding not less than 50% in aggregate principal amount of the relevant Notes then outstanding, provided that:

16.1 Variation with consent

Unless Condition 16.2 (“Variation without consent”) applies, any Condition may be varied by the Issuer in accordance with the Meeting Provisions.

16.2 Variation without consent

Any Condition may be amended by the Issuer without the consent of the Noteholders if the amendment:

- (b) is made to correct a manifest or proven error;
- (c) is made to comply with the requirements or a modification of the requirements of any applicable law or directive;

and, in any such case, the Issuer is of the opinion that such amendment will not be materially prejudicial to the interests of Noteholders generally.

17 Further issues

The Issuer may from time to time, without the consent of the Noteholders, create and issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the Issue Price, Issue Date and the first payment of interest) so as to form a single series with the Notes of that Series.

Upon any consolidation of the Issuer with, or merger of the Issuer into, any other person, or any conveyance or transfer or lease of the properties and assets of the Issuer substantially as an entirety in accordance with this Condition 18, the successor person formed by the consolidation or into which the Issuer is merged or to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under these Conditions with the same effect as if such successor person had been named as the Issuer herein and thereafter, except in the case of a lease, the Issuer shall be relieved of all obligations and covenants under these Conditions, the Notes and any related coupons and, in the event of any such consolidation, merger, conveyance or transfer, the Issuer as the predecessor corporation may thereupon or at any time thereafter be dissolved, wound up, or liquidated.
